## OUR SUCCESS STORY

Nortek, since its inception in 2014, has emerged as a leading name in the lighting industry, guided by a principle of offering customers the best quality and outstanding service. From our roots in switches and cables, we have expanded our product range to include over 60 exclusive products, becoming one of India's most trusted and popular light brands. In 2023, we took a significant step forward by introducing a new line of products, including Wires & Cables and PVC Insulated Tapes, further diversifying our offerings. This move was met with great success, strengthening our position in the market and expanding our customer base.

Throughout this journey, Nortek's success story has been woven with determination, passion, and a steadfast commitment to illuminating lives across India. From humble beginnings with just two products, today we celebrate nationwide presence. With over 60+ distributors and 7000+ dedicated dealers forming a robust network, we continue to shine as a beacon of quality and customer satisfaction in the lighting industry.

## MISSION & VISION

Nortek LED's commitment to excellence extends beyond our products; it is ingrained in our customer-centric approach. We understand that each space is unique, and our comprehensive range of lighting solutions caters to diverse requirements, ensuring every customer finds their perfect fit. As a responsible brand, we prioritise sustainability and environmental consciousness, reflected in our diverse range of energy-efficient lighting solutions. Our constant endeavour to harness India's natural resources through solar lighting further solidifies our dedication to a greener and brighter future.

With an unwavering vision and a dedicated team, Nortek LED stands tall as a beacon of innovation, creativity, and reliability in the world of lighting. We continue to evolve, learn, and adapt, staying true to our mission of illuminating lives and spaces with brilliance, one exceptional lighting experience at a time.

## CERTIFICATIONS

At Nortek LED, we prioritise the safety and satisfaction of our customers. To ensure our products meet the most stringent quality standards, we hold various certifications that underscore our commitment to manufacturing top-notch fixtures such as: (e.g: BIS, CE, ISO, RoHS, BEE Star, etc). Our certified products provide not just efficient illumination, but also peace of mind, knowing that each fixture has been thoroughly tested and approved for outstanding performance.
